

Reuss-Seifert GmbH, 45549 Sprockhövel, Germany

New management at Reuss-Seifert

On 1st December 2008, Mr. Matthias König joined the management of the Reuss-Seifert Group based in Sprockhövel, Germany. He is 45 years old, has a degree in economics and extensive experience in the international construction supply business. As managing director, he was formerly responsible for two divisions of the MEA Group.

Matthias König (left) assumes the office of managing director as successor to Manfred Kunz (right). The latter is currently engaged as managing director of CRH Construction Accessories Business Unit Consumables

Mr. Manfred Kunz, who had been managing director of Reuss-Seifert GmbH since 2002, will from now solely dedicate his time to his activities as managing director of CRH Construction Accessories Business Unit Consumables, to which Reuss-Seifert GmbH, and others, also belong.

Masa AG, 56626 Andernach, Germany

Masa-USA LLC – 100 % Member of the Masa-Group

Masa-Group, a major supplier of machinery for the building materials industry worldwide, with its head office based in Andernach, Germany, purchased the remaining shares of Green Bay, WI, USA based company Masa-USA LLC, previously owned by the former Masa Sales Representative CTI Inc., a KHKI Acquisition INC company, with the effect of December 19, 2008.

At the beginning of the year 2001 Masa-USA LLC was founded as a joint venture of Masa AG and CTI Inc. with the target to supply spare and wear parts to the concrete block and paver manufacturers in North and Central America. A large inventory has been built up at the Green Bay, Wisconsin site. Furthermore Masa-USA LLC grew to be a complete service provider with the scope of assembly and commissioning of block and paver plants, trouble shooting, trainings etc.

This acquisition will be another milestone in the history of the Masa-Group. The existing scope of services will be extended by the

sale of complete plants and/or components. The existing Masa-USA LLC team complemented by experienced sales executives will support the customers in the American market from the Green Bay location.
